

BATH STONE OF BEST QUALITY.

Head Office, 10, Waterloo-place. **QMD L. PARKETT, Secretary.**  
 Mail calls 10.30 Jan. 1908.

**COKE CHEAP.**—This economical and useful fuel, of a very superior quality, to be had in quantities of 100 tons, 50 tons, and upwards, cleared in a week, at **NETT 10/11/6** per **CHALDRON**, at the three works of the Phoenix Coke Company, viz., Blackhill, Southward, & Upper Burnley side. Transhipped, bridge load, and delivered, 10/11/6. This coke is of the best quality, as well as in prime bulk, and is admirably adapted for steam-engines in the City of London, where it is not allowed.
